# Abu Dhabi

Meaning 'Land of the Gazelle' in Arabic, Abu Dhabi was founded when a young antelope led a wandering tribe to fresh water, on an island with no more than 300 palm ('barasti') huts, a few coral buildings and the Ruler's fort. This simple island settlement has since been transformed into the modern, cosmopolitan city of Abu Dhabi and the high-rise capital of the United Arab Emirates.

# Sheikh Zayed Grand Mosque

This architectural work of art is one the world's largest mosques, with a capacity for an astonishing 40,000 worshippers. It features 82 domes, over a 1,000 columns, 24 carat gold gilded chandeliers and the world's largest hand knotted carpet. The main prayer hall is dominated by one of the world's largest chandeliers –10 meters in diameter, 15 meters in height and weighing twelve tones. The mosque's first ceremony was the funeral of its namesake, Sheikh Zayed, who is buried at the site.

Reflective pools surround the mosque, amplifying its beauty. The striking white and gold colors shining in the sun are transformed at night by a unique lightning system which reflects the phases of the moon.

# Heritage Village

Run by the Emirates Heritage Club, this reconstruction of a traditional oasis village provides an interesting glimpse into the emirate's past.

Traditional aspects of the desert way of life, including a campfire with coffee pots, a goats' hair tent, and a falaj irrigation system, are attractively displayed in the open museum.

There are workshops where craftsmen demonstrate traditional skills, such as metal work and pottery, while women sit weaving and spinning. The craftsmen are happy to share their skills, and may occasionally give you the chance to try them out.

You can spend thousands of dollars on a be jewelled designer watch, or pick up a basic timepiece in a supermarket. You can splash out on an 'haute-couture' designer outfit, or buy fabric and have a local tailor make up your very own creation for a bargain price.
