Warning: Japan has very strict policy on International Driver's Permit. You are not allowed to drive without holding valid international driver's permit. Please see more info below for customers.

International Driving Permit (IDP) for driving in Japan.

International Driving permit based on "Geneva Convention of Road Traffic 1949" should be presented at the time of pick up.

It is the only International driving permit acceptable in order to drive in Japan. Except, presenting Japanese translation of your domestic driver's license that you can get at the Japanese embassy is also permitted if you have the domestic driver's license issued in Swiss, Germany, France, Italy, Belgium and Taiwan. You also need to present your original driving license with the international permit or translation.

No other exception is allowed, especially note the following international permit or license is INVALID and UNACCEPTABLE in Japan.

International Driving Permit based on Vienna Convention 1968.

Any other international driving license issued by unauthorized agencies (such as IAA <http://idl-iaa.com/>).
