Held for at least two years.

**Cash Rental deposit:**

Cash Rental deposit not available.

**Credit Cards Accepted:**

American Express, Mastercard, Visa.

**Insurances:**

TPL Insurance (mandatory)

TPL - Third Party Liability coverage is a mandatory insurance that the Government traffic regulations require for all drivers in Mexico. The TPL Insurance covers up to \$250,000 MXP and is included on the rate quoted in your reservation.

Third Party Liability is car insurance that covers against death and or bodily injury to any third party; in an accident caused by or arising out of the use of the insured vehicle (people inside the car are not covered by TPL, and are only covered if optional Auto Personal Accident insurance has been included in the agreed policy package).

IMPORTANT INSURANCE INFORMATION For travelers resident in foreign countries

Due to this situation, Europcar Mexico strongly recommends that all foreign travelers purchase the optional SLI coverage (Supplemental Liability Insurance) which provides similar or higher coverage amounts for claims and indemnities to the ones you find in your country of residence. The SLI coverage provides up to \$1,000,000 USD per event (people inside the car are not covered by TPL, and are only covered if optional Auto Personal Accident insurance has been included in the agreed policy package).

The SLI coverage is separate from the mandatory TPL coverage and is available at an additional charge of \$16.99USD per day plus applicable taxes, for all type of vehicles.

If you decline the SLI coverage, you will be covered just by the mandatory TPL insurance with a coverage limit of \$250,000 Mexican pesos per event or approximately \$22,000 USD.

LDW Insurance

LDW (CDW) - Loss and Damage Waiver is available at \$19.99USD per day plus applicable taxes for all types of vehicles. LDW (CDW) reduces the customer's responsibility for all vehicles. In the case of accident or theft the customer is only responsible for paying a 10% deductible (or excess) of 10% of the total value of the car.

The LDW (CDW) is optional and is typically purchased by customers that are not covered for vehicle damage or loss by their credit card company (or insurance linked to a credit card). For your own protection we prefer that all customer present a valid letter or proof of coverage from his credit card issuing institution with a verifiable phone number and/or e-mail address for confirmation, stating that LDW (CDW) coverage is provided by his/her credit card. If such proof can not be produced at time of rental, we will also honor the customer's assertion of coverage. In any event, all customers declining LDW will have to sign a «statement of personal responsibility for the value of the car» should they decline the LDW and wish to be covered by their Credit Card Company. In the event of an accident, a customer having declined LDW will be fully responsible for all damage and/or repairs up to the total value of the car.

A credit card authorisation of \$5,000 USD will be performed on the customer's credit card as a guarantee at the beginning of the rental. Some Premium vehicle types may require an authorisation of up to \$10,000 USD (please refer to the category list mentioned here below). If the customer credit card does not have the guarantee previously mentioned the purchase of the LDW (CDW) coverage will be mandatory.
